Lawyer Rita (Zoe Saldaña) is a small light in a big firm: overqualified but underrepresented. Drug dealers, murderers and cartel bosses owe their freedom to her intelligence. Her always corruptible boss basks in the glare of the spotlight. One day, she is offered a way out: cartel boss Manitas del Monte (Karla Sofía Gascón) wants her help to get out of the mafia world. Rita is to draw a line under his dubious life's work, organize a new life for his wife Jessi (Selena Gomez) and the children and implement a plan that he has been preparing in secret for years: to continue his life as a woman through gender reassignment surgery: Emilia Pérez. But Manitas' past is a story that obeys only its own rules, which will return and take revenge with a vengeance.
