

BERGaktiv Hike to three Walser Alps

Hike to Alpe Laguz to the Freiburger Hütte.

Description

After taking the hiking bus from Marul to Alpe Laguz, the trail leads us through a beautiful high valley to the Obere Laguzalpe and over the 2,010 m high mountain saddle of the Lange Furka to the Freiburger Hütte in the picturesque Lechquellengebirge directly by Lake Formarinsee and the Rote Wand. With a bit of luck, we will not only see typical alpine flowers such as gentian, alpine roses and bluebells, but also marmots and ibexes.
